

REMARKS

Reexamination and further consideration of the subject application, as amended, are respectfully requested.

By the foregoing amendments an Abstract of the Disclosure on a separate sheet of paper has been added to the specification. Applicant wishes to point out that this Abstract is identical to that published by WIPO, with the exception that the reference numerals have been deleted in accordance with U.S. patent application format.

In the claims, Claim 1 has been rewritten to include the recitations of Claim 4, which the Examiner has indicated in paragraph 6 of the Official Action would place the claims in condition for allowance. Accordingly, upon entry of the foregoing amendments, Applicant respectfully submits that the application is now in condition for allowance and favorable action in the form of a Notice of Allowance is respectfully requested.

Respectfully submitted,
